

Walden Macht & Haran LLP

Walden Macht & Haran is pleased to announce the promotion of Brian Mogck to Partner, effective January 1, 2017.

Brian helped launch the firm in February 2015, after having litigated and investigated high-stakes matters at Gibson, Dunn & Crutcher for the previous eight years. Brian's immense talents have earned him universal acclaim from our clients. As the Firm's first homegrown Partner, he exemplifies our values of tenacious advocacy, proven loyalty and integrity, creative strategy, and rigorous analysis.

Brian is a seasoned litigator, whose practice focuses on internal investigations, white collar and regulatory enforcement defense, and appellate advocacy. He also has experience in whistleblower, good government, and First Amendment matters. His pro bono commitments include serving, for the past five years, as a legal advisor at the United Nations, where he focuses on the rule of law at the national and international levels.

Brian clerked for the Honorable Edward R. Korman, Senior U.S. District Judge for the Eastern District of New York. He graduated from Columbia University School of Law in 2006. Prior to law school, Brian earned a Ph.D. in Philosophy from Emory University.

We are proud of Brian's service to our clients, and could not be happier to have him as our newest Partner.

Happy New Year,
Walden Macht & Haran
